

VALUE ACCELERATION FOR KROGER

A partnership engineered for value.

Meaningful, near-term cost savings — delivered without disruption to your people or your roadmap.

For more than a decade, Experis has been Kroger's trusted IT resourcing and services partner — deploying **950+ consultants**, converting **200+ into Kroger employees**, and delivering **60+ projects**. In 2026, we focus that partnership on a single outcome: realizing measurable value while protecting delivery and talent continuity.
